Fall/Winter 2024- 2025

Seasons

Just a slight tinge of upcoming Fall seen behind these happy faces at our Annual Luncheon. We changed the venue, elected a new President, welcomed our latest “graduating class”, and had a turnout unlike any in years! As we say goodbye to the rush of the holidays, let us not feel alone in the slower months to come. The R-UTN is active all year round and welcomes all who want to join in our various activities.
